

The Netherlands Institute at Athens

kindly invites you to a lecture

by

Dr. Jutta Stroszeck

German Archaeological Institute at Athens

***Life, Death and Gender in classical Athens: remarks from the
Kerameikos excavation***

19 January 2023, 18.00

at the Netherlands Institute at Athens
11, Makri str., 117 42 Athens

The keynote lecture will analyze gender in relation to various fields of private and public life in classical Athens, concentrating on evidence derived from the Kerameikos excavation. Six units will be addressed throughout the life of an Athenian, from birth to burial.

1. *Praying for a boy*
2. *Education of a young Athenian*
3. *Fetching water at the wellhouse*
4. *Cursing a man – cursing a woman*
5. *The workspaces of female prostitutes*
6. *Tomb cult and gender*

Due to limited seat number please R.S.V.P. at nia@nia.gr or 210 9210760
